## A line of STYLING PRODUCTS

for every hair styling need:  
easy, versatile and innovative.

Sophisticated hair styling products created through thorough research that take you on a journey into an elegant world made of contrasts, colors and shapes to create, define and perfect.

### **ECO-AWARENESS**

NO INHIBITION products are created using as many organic elements as possible as well as high quality selected active ingredients in order to highlight the choice to respect the environment and the eco-awareness of the consumer who uses them.

### **GUARANÀ**

Considered by the natives of the Amazon as an elixir of life. Its importance is acknowledged by every tribe as it is protected by the goddess of beauty and life. Guarana fruit is ruby-red and it is known as the strongest stimulating substance, with aphrodisiac power and with high caffeine content. The unique characteristics of guarana extracts refresh and invigorate the hair.

## SMOOTHING CREAM

Extra-smoothing cream

We like extremely straight hair.  
The cream gives maximum shine and resistance to humidity, controlling frizz and leaving hair manageable, smooth and silky.

With guarana & organic extracts.

**Use:** distribute over towel dried hair from roots to ends and proceed with the desired style and finish.
